

Blue Star Company

Argentina & Uruguay

Blue Star Company S.A. was formed by a team of experienced professionals in the area of ship agency port operations.

BSC's services cover all type of vessels operations in all Argentine and Uruguayan ports, such as dry and liquid bulk, general cargo, reefers, project cargo, etc.

Blue Star Company S.A. provides to all our principals important trade information and statistics of cargo imported/exported, daily river draft as well as many other relevant reports.

BSC offices are located in downtown Buenos Aires. Their staff is available 24 hours a day. The Operations team are fluent in Spanish and English as well as German, Italian and Portuguese.

Blue Star Company's main concern is to provide customers a first-class service based on:

- Responsibility
- Honesty
- Reliability
- Expertise

At Blue Star Company S.A., we understand the concerns of each principal and make every effort to protect your interests.
