

H.C. Roever is part of shipping history in Germany, originally founded in 1856 and still going strong. With their network along the German Coast. H.C. Roever can provide country-wide solutions for all duties in the field of agency business for tanker and bulk vessels. Also cruise ships, super yacht, and logistic support operations and project cargo.

H.C. Roever offers a complete range of agency activities to protect your interests as owners or charterers agent, representing your company in all major ports at the German North Sea and Baltic Sea coastline.

Core Activities:

- General ship agency and husbandry services
- Logistics, warehousing and distribution
- Project cargoes
- International freight forwarding
- Customs brokerage and bonded transports

General Ship Agency and Husbandry Services:

- Ship agent for major cruise lines in all German cruise ports
- Husbandry agent for major international container lines and tanker operators
- Appointed agent for world's number one heavy lift operator
- Appointed agent for various tramp operators for all German ports

Project Cargoes:

H.C. Roever specializes in handling of time sensitive projects, collecting and reviving of ships parts, warehousing and deliveries around the world.

Logistics and Freight Forwarding:

- Own warehouse operation in Bremerhaven
- Fully licensed international freight forwarder and customs broker
- Arranging of Air/Sea/Land transports within Europe and world wide
- Linked via EDI to Port Authorities pier operators and customs authorities

Cruise Activities:

H.C. Roever is a member of Hamburg Cruise Center and Shareholder of Columbus Cruise Center, Bremerhaven.

H.C. Roever is handling cruise ships in the ports of Hamburg, Rostock, Luebeck, Cuxhaven and Bremerhaven.
