

Mission Statement

Heisei Shipping Agencies acts as your personal representative always giving you creative solutions to problems, with the lowest possible port costs, maintaining the highest level of quality service.

Introduction

Heisei Shipping Agencies Limited (“Heisei”) <https://www.hship.info> established in 1994 The twelve founding managers have each had over twenty years’ experience within the Japanese ship agency industry. The management has over 200 years’ experience. They have offices in Tokyo and Kyushu. All Japanese ports are served by the Heisei head office via an established network of well-known sub agents under Heisei control. There are 20 primary commercial ports in Japan. Heisei manage over 1400 port calls per year.

Heisei focus on Tankers, specifically Gas, Chemical, Oil, Dry Bulk, Liner Services, Heavy Lifts and P&I Correspondents. The Company has over 33 principals in North America. Heisei was accredited by NKKKQA ISO 9002 quality certification on May 8, 1995, the first ship agent in Japan to do so.
